

Mantoloking Shores

Spring Newsletter – May 2009

Official Publication of Mantoloking Shores Property Owners Association
PO Box 25, Mantoloking, NJ 08738 www.mantolokingshores.com

MSPOA GENERAL MEETING

The Annual Meeting of MSPOA will be held on **Sunday, June 28, 2009** at the **DOVER-BRICK FIRST AID BUILDING** on RT 35 South at 2nd Avenue in Normandy Beach. Coffee and donuts will be served at 9:00 AM. The meeting will **begin at 9:30 AM**. Come and participate to show your support of our Association, to voice your opinions, and to meet your neighbors. This is our only General Meeting so be sure to come and hear what is happening in the Community. Please mark the date on your calendar!

REASSESSMENT

The reassessment process is still moving forward. In the latter part of November, you will receive a letter from the firm that did the revaluation. The letter will contain instructions on what you can do if you disagree with the value placed on your property. It is important that you respond to this letter if you disagree with the value. This is your chance to meet with a representative of the firm that did the valuation. Convincing them that your valuation is too high is better than having to make a formal appeal of your assessment after the firm submits the valuation to the Township.

Note From the President

Dear Neighbor,

After 10 years as President of the Association, and as I stated last year at the Annual Meeting, I am resigning effective with the close of this year's Annual Meeting.

Betty Ann Fuller is running in this year's election for president; and if elected, will serve as your president for the next two (2) years finishing out my term. We have also attracted two new members to the Board ... Vince Brennan of Ketch Road to the position of Vice President and Sheila Whiting of Cove Drive to the position of Secretary. It is gratifying to see that we have homeowners who are willing to give up their valuable time to help their Community.

We could still use some more help as Dr. Bill Porter, who has been Treasurer of the Association for a number of years, would like to step down from his position. If anyone feels that they can spare some time and are willing to help Bill and your Officers & Trustees, we would be very grateful to you. Please contact Bill or me if you are interested in accepting this position.

Last year we did not get as many dues paid as we did in the previous years. When the Block Captains went door to door to try and collect the dues from those who hadn't paid, they heard a variety of reasons for why a homeowner did not pay. Some of those reasons given were for incidents that the owner took objection to decades ago and some of the reasons were for things that happened more recently; for instance, the beach access issue. Some who didn't pay stated that they wanted the beach access and since we were not pursuing the access they felt that they shouldn't pay their dues.

Over the years, the Board your neighbors have collectively attempted to do what they thought was best for the Community as a whole. As we know, in this country it is practically impossible to get everyone to agree to anything, but the country survives and most of us continue to pay our taxes and even if we don't care for the elected leaders we support them because we believe in the majority rule.

The people in our Community who support the Association understand that their support is for the greater good of the Community. Their dues pay for the upkeep of the Association property, the protection of our Community should we need legal help in defending our property rights, paying for insurance to protect us from liability as long as we own our roads. Also, the dues paid for nine (9) bulkheads over the last 10 years at the lagoon ends that we own. If the bulkheads were not replaced and the bulkheads failed, the streets near the bulkhead and the adjacent properties would have suffered severe damage. The entrance to our Community at Bay Lane would not look the way it does if it weren't for our dues paying members. The crossing guards, which the Township agreed to provide, were gotten through the work of the Beach Federation – the amalgamated of all Brick beach communities which our Association supports with your dues.

If you haven't paid in the past or just have not paid this year, I and the Board hope you will reconsider and join your neighbors in helping to keep Mantoloking Shores the great place it is to own a home.

I want to thank the Officers and Trustees for the support and guidance they have provided me over the years. I also thank you for allowing me to be your president for the last 10 years. I hope each of you get to enjoy a great summer this year and for many years to come.

H. L. Van Varick
President
hlv1@verizon.net

NOMINATING COMMITTEE

This year's Nominating Committee consisting of:

Dominick Saccente - Bay Lane
Sandy Severini - Sloop Lane
H. L. Van Varick - Dory Lane

nominate the following individuals to fill the positions listed ...

PRESIDENT	BETTY ANN FULLER	2 YRS - 2009/2011
VICE PRESIDENT	VINCE BRENNAN*	2 YRS - 2009/2011
SECRETARY	SHEILA WHITING*	2 YRS - 2009/2011
TREASURER	DR. WILLIAM PORTER	3 YRS - 2009/2012
MEMBERSHIP SECY	PATRICK J. TUOHY	3 YRS - 2009/2012
TRUSTEE	MARY BOWERS	5 YRS. - 2009/2014

In accordance with the By-Laws, the individuals proposed for President, Vice President and Secretary will fill the unexpired terms of those who resigned those position.

*** For the new members to the Board, we are providing a brief bio on each of them.**

Dominick Saccente, Chairperson

VINCENT F. BRENNAN

Vince and Joy Brennan have been residents of Mantoloking Shore for 20 years. Their winter residence is in Harrington Park, NJ where he serves a Vice President & Treasurer of a small townhouse association. While primarily summer and weekend residents of Mantoloking Shores, they plan to spend more time at the beach since his retirement earlier this year. The Brennans have three daughters and six grandchildren.

Vince retired from Korn/Ferry International where he spent 26 years as a Senior Client Partner in the firm's New York office. He co-founded his own executive search firm in the early 1980s and merged his clients into Korn/Ferry International. Prior to that, he was a Partner in the consulting practice of Peat Marwick Mitchell (now KPMG). His earlier business experience was with Pfizer, Inc.

He has a B.S. from St. Peter's College and has both an M.A. & M.B.A. from Fairleigh Dickinson University.

SHEILA WHITING

Sheila and Fred are residents of Clark, NJ for 20 years and have owned their home in Mantoloking Shores for five years. They have a 21 year old daughter named Catie.

Community Involvement:

CCD Teacher St. Agnes Church 1994-2009

Planning Board Member 2001

Union Count School Board Association Delegate 2003-2004

Clark Board of Education 2001-2004 - Vice President 2002-2004

Councilwomen Clark Township 2001 to Present

Work History:

Vice President and Co-Owner 1990 to Present – Gamco Industries, Clark: Manufacturer of Cable TV Electronics ... Also;

Vice President 1993 – Present – CNN Electronics Distributor of Cable TV Electronics

An Official Notice of the Election to be held at the Annual Meeting on June 28, 2009 will be mailed as required by the Association's By-Laws.

PROFILE!

CHERYL MANSFIELD SERVED AS BOARD SECRETARY FROM 1994 TO 2009

The Board would like to acknowledge and thank Cheryl for serving as the Association's Secretary. Cheryl's 15 year tenure shows the support and dedication that few people are willing to give to support their Community.

Cheryl has been an active participant on the Board, at the Board and annual meetings. She also arranges for the Annual Meeting, set-up the meeting and purchases the refreshments served. Cheryl also helps set up the holiday decorations that we have been putting up at the entrances to the streets in the Community as well as serving as Block Captain for Tide Pond Road and Wherry Lane.

PROTECTION

&

Firefighters in Brick and Mantoloking are all volunteers and deserve our support.

Each year you probably receive a solicitation from Brick's **Pioneer Hose Volunteer Fire Company No. 1** and the **Dover-Brick Beach First Aid Squad**. We hope that you generously include them in your contributions.

We would also like you to remember the **Mantoloking Fire Company** ... although they won't be sending you a solicitation; they are the first responders for us in the event of a fire. Mantoloking help is invaluable to our Community. If you wish to make a contribution to them, you can send it to them at P.O. Box 213, Mantoloking, N.J. 08738-0213. These are tax-deductible contributions.

HELP THOSE WHO CARE TO HELP YOU !

GARBAGE & RECYCLING

- **Garbage is picked up once a week on Monday unless it is a holiday; then it is picked up on Tuesday**
- **Recycling is picked up on Tuesday unless Monday or Tuesday is a holiday; then recycling will be picked up on Wednesday**

As in the past, we have someone put the trash container and recycling receptacles back by the houses for those whose containers are still left out the day after the recycling has been picked up. This is done as a safety measure so that would-be burglars have less of a chance to figure out what properties are and are not occupied. We provide this service to everyone in the Community. **The cost of this service is borne by the dues paying members. Those who do not pay their dues and benefit from this should consider helping to defray this cost by paying their dues.**

During the summer season, Brick has a refuse and recycling truck behind the firehouse on RT 35 on Saturdays from 8:00 AM to 2:00 PM commencing May 23rd and ending on September 19th. Paint will be taken for disposal on June 13th from 9:00 AM to 2:00 PM at the same location.

REMINDER....

The Town will not pick up leaves, branches or other discarded foliage if it is left at the curb in plastic bags ... you MUST put them in approved paper bags.

You can call the Town's Public Works (732-451-4060) to see when they will be picking up this type of refuse and heavy metal items since they only do it twice a month. *Please* do not just leave it on the curb as it could stay there for several weeks.

CONSTRUCTION MATERIAL WILL NOT BE PICKED UP. If there is construction material in your trash container, the Town will not empty it. The garbage trucks are equipped with cameras; when the can is raised and before it is dumped into the truck, the driver can see what is in the can.

Recycling is important ... the more we recycle the less we have to pay for trash disposal and the less our taxes will go up.

NOTE: RECYCLE - Ocean County's 24 Hour, seven day a week hot line for everything you wanted to know about the county's recycling program is available. Call 1-800-55-RECYCLE.

IF YOU RENT YOUR HOUSE, PLEASE PROVIDE YOUR TENANTS WITH ALL THE INFORMATION ON TRASH/RECYCLING DISPOSAL

PETS

Although we continually ask pet owners to clean up after their pets and take the waste home and dispose of it there, we constantly find that people are either not cleaning up at all or are leaving the waste in bags behind bushes on lagoon ends or on people's property. Speaking of other's property, please curb your pets ... do not let them do their business on other people's property, plants or flowers.

Please .. if you are a true pet lover, be responsible -- clean up after your pet and dispose of the waste properly; don't let it wash into the lagoons Remember your neighbors swim in our lagoons. We don't need pet waste polluting our waters.

~~~~~A GUIDE TO HEALTHY HABITS FOR CLEANER WATER~~~~~

Pollution is washed from our streets, lawns and parking lots when it rains. Fertilizers, oil pesticides, detergents, animal waste, grass clippings and more all ends up in the water we use for everything from swimming to drinking and other household uses.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water. That is why we all need to do something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water and it saves the high cost of cleaning the water after it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful, municipalities and public agencies throughout the State are enacting rules that prohibit activities that contribute to stormwater pollution. These rules will help ensure that federal storm water requirements are met. Rules and info for non-compliance can be found at: [www.njstorm.org](http://www.njstorm.org) and [www.nonpointsource.org](http://www.nonpointsource.org) or calling 609-633-7021.

*Reprinted from Solutions to Stormwater Pollution, A Township of Brick Publication*

^^^TREASURER REPORT^^^

The Officers and Trustees would like to thank the following people who gave their time and effort to serve on the Budget Committee ... Joan Aduato, Betty Ann Fuller, Al Martin, Ed Rapoza and Milt Rosko.

*Respectfully submitted,  
Bill Porter, Treasurer*

# STREET PAVING

The Town recently paved the road between 35N and 35S at the flagpole island. The paving created a ponding situation at 35N and the Township has been notified of the situation.

When the streets were paved and the sidewalks were installed on Bay Lane, the contractor destroyed the filter paper that had been installed under the stones at the lagoon ends to block weed growth. Although we have had numerous conversations with the Township Engineer and the engineering firm that supervised the road work, this problem still has not been corrected. The Township has assured us that they will not release the final payment they are holding on the paving contract until this situation is resolved.

What this means is that you may see weeds and the remnant of the filter paper at the lagoon ends on Bay Lane again this summer. We do not want to spend our money cleaning the weeds and reinstalling the filter paper since it is the paving contractor's responsibility.

CONDOLENCES EXTENDED

*The Board's Vice President, Betty Ann Fuller's father Bill "Archie" Lazok passed away on May 16, 2009. Mr. Lazok was 83 years old and was a long time resident of Woodbridge. Condolences can be sent to Betty Ann at 335 Cutter Lane.*

*The Officers and Trustees of the Association offer our deepest sympathy and condolences to Betty Ann and her family.*

PROPER DISPLAY OF THE UNITED STATES FLAG

The American flag is more than just colorful cloth. It symbolizes our country. There are traditional ways in which we show respect for the flag. Proper etiquette should be used when displaying the flag.

- **Flags should always hang freely but never with the stars down except as a distress signal**
- **When displayed in a window, the flag should be displayed with the stars to the left of the outside observer**
- **No other flag may be flown above or to the right of the U.S. flag, except at the United Nations headquarters**
- **The flag should never touch the ground, be carried flat or horizontally, or be used as a drapery, covering or receptacle**
- **A citizen may fly the flag at any time, preferably from sunrise to sunset - except for special occasions or when well-lighted**
- **In times of official mourning, the flag is flown at half-staff**
- **When a flag becomes unfit to fly, it should be destroyed with dignity, usually by burning**
- **The flag should never be used as a costume or uniform**
